Describe your qualifications and responsibilities relating to the role of District Director.

1. Member since 1983. Trophy Chair 2003. Served on Ethics Committee 2013. Served on Judges' Education committee approximately 2012-2016. District Director 2008-present. Currently serving on editorial committee for the Bulletin. Secretary, Quarter Century Collie Group 2010-2016. Within the Collie Health Foundation: member, Board of Directors; Volunteer Coordinator; Grant Review Committee.
2. Member of Collie Club of Minnesota since 1977. Served at times as secretary or president. Editor of *The Word*, our club magazine with national distribution for several years.
3. My career has been in biomedical research — I'm not sure how that would pertain to a DD position specifically, but it did require working within a team of people with different areas of expertise to achieve a common goal.

For your personal biography, in addition to the qualifications you have included above, please answer the following questions about the CCA District Director's

role and responsibilities.

What is the District Director's role in relation to the CCA Board and club as a whole? Use the CCA Bylaws (2021), Director Code of Conduct, and Confidentiality Agreement in formulating your answer.

I understand that District Directors need to cast votes that are in the best fiscal interests of our treasury and public image of our membership.

Given your understanding of the director role as developed in the previous question, how would you keep your CCA district membership informed of important information and seek member input and what tools would you use to do this?

In an effort to ensure that members have access to the Newsletter and other official notices I may receive, I forward them to members (because some members may not be receiving them for whatever reason). When appropriate I email members seeking input on issues, and I encourage members to send questions, concerns and comments to me and/or to use the new Members Only Discussion Group when it becomes available. I answer to the best of my ability, usually by email.

What is the Director role in relationship to confidentiality? Use the principals outlined in the Board of Directors Confidentiality Statement when formulating your answer.

Directors have responsibility to maintain confidentiality on issues regarding individual members, such as votes on admitting new members, committee heads/members, ethics complaints, etc. until they are advised that it is permissible to share such information. Business conducted in closed Executive Session must be confidential until release is approved by board. Documents or forms in process must remain confidential to the board until instruction or permission to release is granted.

What is the Director's role and responsibility regarding new membership applications, member reinstatement, and dues renewals?

Directors co-sign (with another member in good standing) membership and reinstatement applications for prospective members they believe to be suitable candidates for membership. Directors notify members regarding deadlines, and avenues for, dues renewal with ample time for payment.

Why is having a working knowledge of the CCA Bylaws important to your role?

Without this knowledge the Club would find itself in violation of NY law. Aside from that, not following bylaws would result in much inefficiency as violations would be contested and need to be remedied, causing unsatisfactory delays.

Why is a basic understanding of Robert's Rules of Order (12th Edition) important for a Director?

These rules provide a system for running meetings smoothly. Motions will be presented correctly, recorded correctly, discussed and voted on properly. Following an agenda allows for transparency and discussion before decisions are made.

Describe your understanding of the fiduciary responsibility a District Director holds as it relates to running the club including implications for costs in decision making, interpreting treasurer reports, national show bids, and any other financial matters of the CCA.

Directors' fiduciary responsibility is to the Club; therefore they must vote in the best interests of the Club.

What is the significance of the following statement regarding NY Not-for-profit board responsibility (501(c)(7)): Directors must vote and make decisions based on the best interest and benefit of the entire organization and not just a particular group of beneficiaries or other directors.

Similar to previous question. Regardless of what may be a popular opinion among members, directors are bound to vote and conduct themselves with responsibility toward the Club as a whole.

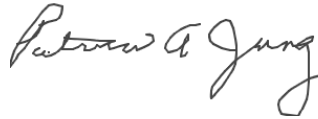

Why do you want to serve, or continue to serve, your District and the Collie Club of America?

I care deeply about the image of purebred dogs, and responsible breeders of purebred dogs, and about preserving the image of the Collie Club of America. I want the public to trust us as the best source for

healthy, sound and intelligent companion collies and perhaps to enter the world of showing because of the image we project. Serving on the board is one way I can contribute to this effort.
