Describe your qualifications and responsibilities relating to the role of District Director.

I have been a director for 6 years, so I am familiar with all workings of the Collie Club of America. I have participated in an ethics committee when asked to do so. I attempt to make all meetings. My district has been told to contact me with any problems so I keep an open door policy, as I try to get answers for them from their problems. I have worked the last several years at the stewarding desk of the CCA National along with being an in ring steward, Have volunteered for the Collie Health Foundation. I belong to the Greater Tampa Bay Collie Club and volunteer whenever I can assist. and Finally, I am Second Vice President and Assistant Show Chair of an all breed Club in Miami< The South Dade Kennel Club.

For your personal biography, in addition to the qualifications you have included above, please answer the following questions about the CCA District Director's role and responsibilities.

What is the District Director's role in relation to the CCA Board and club as a whole? Use the CCA Bylaws (2021), Director Code of Conduct, and Confidentiality Agreement in formulating your answer.

The District Director Is the link between the membership and the board. Informing the memberships questions and concerns in how they apply to the rules of the CCA. As a board member we are to uphold the The CCA Bylaws, maintain good conduct and keep members up to date with information without breaking the code of confidentiality.

Given your understanding of the director role as developed in the previous question, how would you keep your CCA district membership informed of important information and seek member input and what tools would you use to do this?

I usually let he Constant Contact go out with the information and then send an email making sure everyone has seen the public information. then try to answer any questions anyone might have.

What is the Director role in relationship to confidentiality? Use the principals outlined in the Board of Directors Confidentiality Statement when formulating your answer.

The confidentiality of the board should be taken very seriously. It is the only place we can speak freely of concerns on how situations can affect the Club. Some information will be shared by members being able to listen to the board meeting, However, there is a time and a place to talk openly without criticism of concerns. Coming from an Air Force background I find this to be an important part of any organization.

What is the Director's role and responsibility regarding new membership applications, member reinstatement, and dues renewals?

With new members, it is to look at their paperwork and insure that they have the best intent for the Collie.

Reinstates and Renewals are just making sure they were members in good standing.

Why is having a working knowledge of the CCA Bylaws important to your role?

You have to know what the rules are to be able to follow them and pass the information on to the membership.

Why is a basic understanding of Robert's Rules of Order (12th Edition) important for a Director?

How to make motions, vote, be civil in a meeting etc. is always important to any member of a board

Describe your understanding of the fiduciary responsibility a District Director holds as it relates to running the club including implications for costs in decision making, interpreting treasurer reports, national show bids, and any other financial matters of the CCA.

A District Directors Fiduciary Responsibility is to uphold the costs the club spends to be best benefit of the club. Not to be frivolous in spending or to make poor decisions at someone else's requests but to uphold what is best for the club.

What is the significance of the following statement regarding NY Not-for-profit board responsibility (501(c)(7)): Directors must vote and make decisions based on the best interest and benefit of the entire organization and not just a particular group of beneficiaries or other directors.

You should always vote for what is best for the club. Members of a club will always have differing opinions but the question will always remain, What is Better for the Club? Not the individual or a non majority of members.

Why do you want to serve, or continue to serve, your District and the Collie Club of America?

I think I do a good job. etaK K
