Describe your qualifications and responsibilities relating to the role of District Director.

I have helped moderate the Collies 101 page since it's inception and have also helped with the puppy sweepstakes page on the years that we have had the sweeps. I have been happy to help with dogs for judge's education, I think the first year I was asked to help was 2001.

Professionally, I am a bank manager. I have led teams of 3 to at times 12 people. I have had a lot of opportunities to calmly and professionally help solve problems between both teammates and also clients. In my current role, I also have to present to our board of directors, so I am very familiar with the process.

For your personal biography, in addition to the qualifications you have included above, please answer the following questions about the CCA District Director's role and responsibilities.

Given your understanding of the director role as developed in the previous question, how would you keep your CCA district membership informed of important information and seek member input and what tools would you use to do this?

I would send out the communique through email. Members would be able to respond to email, call or text with questions, concerns or feedback.

What is the Director role in relationship to confidentiality? Use the principals outlined in the Board of Directors Confidentiality Statement when formulating your answer.

The district director must keep information related to club business confidential unless given permission by the board of directors.

The district director endorses suitable applicants from their district for CCA membership. They also send out reminders for renewals

It is important to have a working knowledge of the bylaws because the bylaws guide the way we operate as a club and gives a high-level overview of the club's purpose.

Why is a basic understanding of Robert's Rules of Order (12th Edition) important for a Director?

Describe your understanding of the fiduciary responsibility a District Director holds as it relates to running the club including implications for costs in decision making, interpreting treasurer reports, national show bids, and any other financial matters of the CCA.

A district director must make responsible, financially sound decisions as it relates to running the club including implications for costs in decision making, interpreting treasurer reports, national show bids, and any other financial matters of the CCA.

What is the significance of the following statement regarding NY Not-for-profit board responsibility (501(c)(7)): Directors must vote and make decisions based on the best interest and benefit of the entire organization and not just a particular group of beneficiaries or other directors.

The district directors have an obligation to make decisions based on the best interest of the entire organization.

Why do you want to serve, or continue to serve, your District and the Collie Club of America?

I got my first Collie when I was 8 years old, at age 16 I attended my first national and was awarded best junior handler. I will never forget the support and kindness shown to me by all these Collie people who I had never met before. I have been hooked ever since. I would like to serve as district director because I feel like it is a good way to give back to the Club and support the breed that I love. I would like to see more inclusion and open communication that happens in a timely manner. I believe that growth is also important, and a club is only as good as its members. We need to get more current members involved and also recruit new members, whether they are pet Collie owners, performance people, or conformation people.
